To Whom It May Concern:

It is a great pleasure to place on record, our deep and sincere appreciation and thanks for the services Gestures has provided us over the past two years.

We have grown to rely on Kim and her staff to come up with wonderfully creative gift ideas for large and small groups alike. They have come through for us each and every time, without fail, on extremely short notice. The harder the challenge, the more fun it seems to be for them... and consequently me. I can hardly wait to hear and see what they have put together for us.

Their gifts are imaginative, artistic, and inspired all the while maintaining the personal sense we like to impart. Gestures has become a one-stop shop for all our gift giving needs.

Regards,

Heather A. Burdick
